

## CUBBY YOUTH SAVINGS ACCOUNT

# Start savings early and introduce your kids to the thrill of savings.

Kids start learning the moment they are born. Whether you know it or not, they are learning and picking up your habits which is why it's key to set a good example for them to follow later. At Alltru Credit Union, we have great accounts to start them off on the right financial path.

There's nothing more rewarding than watching your savings grow. Alltru's Cubby Youth Savings account will help you instill this lesson early, with a fun savings account that packs rewards around every turn. Parents or legal guardians must open the children's accounts.

### ACCOUNT FEATURES:

**High earnings encourage savings.** Your kids will love watching their balances grow with our higher-than-average interest rates.

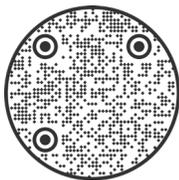

**Prizes all year long.** From a special surprise on their birthdays to prizes for deposits over \$10, we'll make using their accounts fun and rewarding.

**Free financial educational resources.** We're always here to connect you and your children with the resources to build a bright financial future.
