The Alltru Difference: The Better Way to Bank

It seems like there's a bank on every corner, and they're constantly advertising for your business. A credit union is a lot like a bank – but Alltru Credit Union is better.

1. BETTER RATES.

Alltru Credit Union is a not for profit banking institution. So, unlike a bank, we're not here to make money off you. We're here to save you money. With us, you'll earn more on your savings and pay less on your loans.

2. FREE FINANCIAL GUIDANCE.

It's easy to feel overwhelmed by financial decisions or unsure where to start. At Alltru, our team is here to help. Whether you need a free credit review, budgeting assistance, debt management guidance, or simply want to explore your options, we'll take the time to understand your goals and build a plan that works for you. No pressure. No hard sales. Just honest advice and personalized support from people who genuinely care about your financial success.

3. BRANCHES AND ATMS ACROSS THE COUNTRY.

Your money is your money, so you should be able to access it anywhere. Alltru is part of a nationwide network of credit unions, giving you free access to 5,000 branches and 30,000 free ATMs from coast to coast. See a full list of CO-OP ATM locations on our website.

4. YOU'RE NOT A CUSTOMER. YOU'RE AN OWNER.

When you join Alltru Credit Union, you become a member and owner. Along with your fellow owners, you have the chance to elect or run for our volunteer board of directors. You get a direct line to the top – and you can rest assured they're looking out for your best interests because they don't make income from the decisions they make on your behalf.

5. WE ARE A COMMUNITY DEVELOPMENT BANKING INSTITUTION.

We believe stronger communities benefit everyone. We are proud to both take the lead and stand beside our members as we make our cities even better places to live, work and play. We are an official Community Development Financial Institution (CDFI), meaning it is part of our primary mission to deploy accessible and affordable loans to residents experiencing low income and credit challenges, and maintain accountability to our communities.

How to Build Savings

RollUp Savings

Your debit card purchases can help you reach your savings goals. That's right – with each purchase, we'll round up to the next dollar and put the change in your RollUp Savings account. It's easy, automatic and painless – bringing new meaning to the phrase, "keep the change."

High Yield Online Savings

What if your savings could grow faster just by having your money with Alltru? It can, with our High Yield Online Savings account.[1] You'll get the freedom to manage your account online while your money grows – with no monthly service charges and no minimum balance.

Holiday Savings

If you're like most people, you want to make the holidays a special time – and the Holiday Savings account from Alltru can help you set aside funds each month so that you are prepared. Your funds are automatically transferred into your Alltru Checking account in mid-October.

WHICH SAVINGS ACCOUNT IS RIGHT FOR YOU?

GOAL	PRODUCT
Emergencies	High Yield Online Savings
Holidays	Holiday Savings
Healthcare	Health Savings Account
Retirement	IRA/CD
Larger Balances	Money Market

Health Savings Account (HSA)

Healthcare expenses can be scary – but we can help you ease the sting a little. Your Alltru Health Savings Account (HSA)[2] lets you save toward future medical expenses. Even better, these savings are pre-tax – so you're effectively reducing your taxable income, which saves you even more.

CDs & IRAs

It's your future – so at Alltru, we give you a lot of different ways to save for it. Whether you're putting money away for a short-term goal or saving for retirement. Our Certificates of Deposit (CDs) and Individual Retirement Accounts (IRAs)[3] let you set money aside and earn more interest than a traditional savings account. Another option is an IRA Savings account[4]. This lets you save money over time, so you can open the long-term savings product of your choice when you are ready.

Money Market

You've worked hard for your money – now it's time to make sure it returns the favor. With Alltru's Money Market[5] accounts, the more you save, the more interest you'll earn. And unlike CDs or IRA accounts, you always have access to your money.

Each account is federally insured up to $250,000 by the National Credit Union Administration (NCUA). Compare savings here.

1. Qualification to earn dividends at the disclosed rate on a High Yield Online Savings account include: (a) consent to receive your periodic statements electronically; and (b) have an open, active checking account with us, with at least 1 ACH deposit or withdrawal per month. No minimum balance requirements apply. All transactions, including transfers, deposits, and withdrawals, must be conducted online. Only one High Yield Online Savings account may be opened per social security number. 2. Alltru Credit Union makes the HSA account as a custodian only. See the HSA disclosure online at TheBetterWayToBank.org for eligibility, additional requirements and tax implications. 3. CDs & IRAs – Early withdraw penalties may apply. See website for full disclosure and qualifications. 4. IRA Savings – There is no minimum deposit required to open an IRA Savings account. You can withdraw from the IRA Savings account without facing an early withdrawal penalty. However, keep in mind that penalties may still apply to your Individual Retirement Account (IRA) as a whole. For more information about IRA contributions and the tax benefits they offer, consult with a tax advisor. 5. Money Market Accounts –You must maintain at least $250 in your Money Market account each day to obtain the disclosed APY and to avoid a $10 service charge.
